

Tanya Stanish is an amazing attorney. Her knowledge of the law as well as her attention to the specific facts of my case were outstanding. My divorce was a very high conflict and stressful case, and she successfully got me through it every step of the way. Not only is she extremely knowledgeable and experienced with the law, but she helped prepare me each step of the way and guided me with the best advice from week to week. Her people skills and the way she relates to the client are also outstanding. I recommend Tanya to everyone I know who is going through a divorce. I could not have been in better hands.

Tanya Stanish is an incredible attorney. She showed up for me, fought for my worth, and did not allow my life to be obliterated from existence. There are no words to express how I feel, but I am fully aware none of this would have come to be without Tanya and her team. I am ETERNALLY grateful and I will never forget what she has done for me. I finally feel like I can breathe again and I will experience peace, contentment, and JOY!

Tanya Stanish was a saving grace during my divorce. She gave me confidence that everything would work out especially in times when things got bumpy on our way to the finish line. Thanks to Tanya, my family has our home, and that means everything to me. I have so much respect and gratitude for all she and her team did to help me feel secure about the future.

How can I ever thank Tanya Stanish enough for being such a legal genius, phenomenal strategist, outstanding advocate, and all around KICK ASS attorney?!?! I am so very grateful for EVERYTHING she has done for me. I look back to the day that I came to see her, a pathetic, broken, frightened old lady, and I thank God that she saw enough in me/my case to take it on. I have NO doubt that it would have turned out much differently if she had not been kind enough to take my case. I would be stuck with a horrible deal. Tanya was patient and never gave up. I'm so grateful for all she did for me. She is AMAZING!

Both of my children have repeatedly told me they don't want to move to Canada. Fighting to keep my children with me here in the United States has been the most important event in my life. I can't thank Tanya Stanish enough for all of her effort.

Tanya Stanish worked tirelessly in my child custody case. I have 6 beautiful children, and doing the right thing as a parent for them, regardless of cost, is all I care about. Tanya made it possible for me to raise my kids to be as healthy and successful as possible. I can't thank her enough.

Tanya Stanish provided outstanding representation in my divorce case. Through the awful divorce, my luck was somehow finding such a great attorney who overextended herself in many ways. I am so grateful for Tanya and appreciate all she did to ensure my best interests were covered.

I found Tanya Stanish's guidance to be incredibly valuable, particularly her willingness to provide bestguess probabilities and to hear my thoughts, opinions, and questions. Her approach is anything but standard. Her style is unique and you can tell she really cares about her clients.

Tanya Stanish helped me through the worst 2 years of my life. I was in a losing battle with all of the local attorneys here in Chicago, but thankfully Tanya accepted my case. She and her team handled my ex wife so professionally, and exposed all of her faults and gave me a chance to have a life after my divorce. A day doesn't go by when my family doesn't mention how lucky I was so have such a good attorney to help me with my divorce/child custody case. Thanks to Tanya, I can finally sleep again and am gaining back some of the weight I lost. Tanya was definitely my savior.

I can't thank Tanya Stanish enough for her excellent, excellent 'lawyering' abilities. She really is a brilliant, exceptional adversary and patient as heck with an overwrought wife. I really want to let people (partners at SDF and potential clients) know how terrific she is.

Tanya Stanish and her team were wonderful to work with during my divorce case. I can't say "thank you" enough for fighting on my behalf over the last few years and for really listening to the things which are important to me.

There's really nothing I can say to adequately express my gratitude towards Tanya Stanish. I wasn't a very religious person at all before my divorce, but that awful day I showed up at Schiller, I do think God sent me to Tanya. Other than an illness or medical condition, it could not have been a more horrid experience, and Tanya not only weathered the storm, but she succeeded in bringing the sun back into my life. When it all ended, I felt relief, peace, but most of all I felt this overwhelming sense of gratitude. I tell everyone about Tanya - what a kick ass attorney she is, but also a wonderful person.

I will forever be grateful for Tanya Stanish. She took me under her wing and never stopped fighting for my best interests. I know the outcome of my case would have been very different without Tanya.
